Football-full match report from Mr Dreyer next week

Upcoming PTFA events-there will be a KS2 event on 25th May and a FS & KS1 event on 8th June. These are always very popular and we look forward to seeing as many children as possible on the two nights. Tazz will be back at both of them!

Message for Year 6-Next week is SATs week. This is an opportunity for you all to show the hard work and progress you have made over the last few years. We are very pleased with your hard work and wish you luck. Please do not get stressed or worried about it. We only ask that you try your best! *Please eat a good, healthy breakfast each day as this will help you concentrate and make sure you are in school each day.*

We always make sure that we have a member of staff on the KS2 playground from 08:40-08:50. However, a number of children are arriving at school earlier than this and we have had a number of reports that children are leaving the playground after they have been dropped off and making their way back out of school. Children are hanging around on the car park or even venturing across the road to meet friends. **Please could Parents and Carers remind the children that once dropped off at school, they need to stay on the playground for their own safety.**

Please, please, please can I urge you to read this Stanah Standard each week and then keep it safe for future reference.

STANAH STANDARD

MFactor at Millfield is on 22nd June 2017 so we will be holding class auditions on 13th June and final auditions on 15th June. Might be a good idea to start practising at home now. Last year we came 1st and 3rd!!

Fidget Spinners -These toys are creating problems for us in school and are in fact becoming a distraction in class. Please can we ask all parents and carers to **NOT** let their child bring them into school. If your child has been diagnosed with a stress related condition then it will be dealt with in partnership with home and the medical services. Thank you.

TALK HOMEWORK- DISCUSIÓN TAREA

It would be helpful for the children and staff if you would spend **just a few minutes discussing** the theme of the writing with your child at the weekend. This will help stimulate interesting and creative ideas for them. Themes are below

FS Look about for minibeasts and talk about them

Y1 Talk about disgusting foods that Mog might eat

Y2

Y3 Talk about other animals that Wombat might meet

Y4 Talk about healthy and unhealthy foods

Y5 Talk about what you have learnt so far about mammals

Y6
